ABOUT ME

A highly motivated and detail-oriented Mathematics and Computer Science student at Mama Ngina University College, with a passion for problem-solving, data analysis, and software development. Adept at working with programming languages such as Python, Java, and C++, as well as web development and database management. Strong analytical skills, a quick learner, and an enthusiastic team player seeking an attachment opportunity to apply academic knowledge in a practical environment while gaining hands-on experience in the tech industry.

OBJECTIVE

A dedicated and analytical Mathematics and Computer Science student at Mama Ngina University College, seeking an attachment/internship opportunity. Passionate about problem-solving programming and data analysis, eager to apply my knowledge in a real-world environment while developing practical skills.
